BOOKLET-CERTIFICATE

Your Group Short Term Disability Insurance has been designed to provide financial help for you when a covered loss occurs. This plan has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by the Group Policy, the administration and payment of claims will be done by Us as an insurer.

Members rights and benefits are determined by the provisions of the Group Policy. This booklet-certificate briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

The effective date of your insurance is as shown on your enrollment form.

THIS BOOKLET-CERTIFICATE REPLACES ANY PRIOR BOOKLET-CERTIFICATE THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet-certificate, please contact your employer. In the event of future plan changes, you will be provided with a new booklet-certificate or a booklet-certificate rider.

If you have an electronic booklet-certificate, paper copies of this booklet-certificate are also available. Please contact your Policyholder if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET-CERTIFICATE CAREFULLY. We suggest that you start with a review of the terms listed in the DEFINITIONS Section (at the back of the booklet-certificate). The meanings of these terms will help you understand the insurance.

The group insurance policy and your coverage under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

In administering the benefits provided under the Group Policy, all Predisability Earnings and Current Earnings will be expressed in U.S. dollars and all premium and benefit amounts must be paid in U.S. dollars.

Individual Incontestability

All statements made by any person insured will be representations and not warranties. In the absence of fraud, these statements may not be used to contest the insured person's coverage unless:

- b. the statement is in Written form Signed by the insured person; and
- c. a copy of the form which contains the statement is given to the insured person or the insured person's beneficiary at the time insurance is contested.

In addition, if a person's age is misstated, We may, at any time, adjust premiums and benefits to reflect the correct age.

We may, at any time, terminate a Member's eligibility under the Group Policy, in Writing and with 31-day notice:

- a. if the individual submits any claim that contains false or fraudulent elements under state or federal law;

Effective Dates

Actively at Work

Your effective date for Short Term Disability Insurance will be as explained in this booklet-certificate, if you are Actively at Work on that date. If you are not Actively at Work on the date insurance would otherwise be effective, such insurance will not be in force until the day of return to Active Work.

Effective Date for Noncontributory Insurance

Unless Proof of Good Health is required, insurance for which you contribute no part of premium will be in force on the date you are eligible.

Effective Date for Contributory Insurance

If you are to contribute a part of premium, insurance must be requested in a form provided by Us. Unless Proof of Good Health is required, the requested insurance will be in force on:

- a. the date you are eligible, if the request is made on or before that date; or
- b. the first of the Insurance Month coinciding with or next following the date of your request, if the request is made within 31 days after the date you are eligible.

If the request is made more than 31 days after the date you are eligible, Proof of Good Health will be required before insurance can be in force.

Effective Date When Proof of Good Health is Required

Insurance for which Proof of Good Health is required will be in force on the later of:

- a. the date insurance would have been effective if Proof of Good Health had not been required; or
- b. the first of the Insurance Month coinciding with or next following the date Proof of Good Health is approved by Us.

Proof of Good Health Requirements

The type and form of required Proof of Good Health will be determined by Us. You must submit Proof of Good Health:

- a. If insurance for which you contribute a part of premium is requested more than 31 days after the date you are eligible.
- b. If you have failed to provide required Proof of Good Health or have been refused insurance under the Group Policy at any prior time.

- d. If, on the date you become eligible, fewer than five Members are insured.

- e. If, on the date you become eligible for any increase or additional Benefit Payable amount, fewer than five Members are insured.

Effective Date for Benefit Changes Due to a Change in Weekly Earnings

Unless Proof of Good Health is required (see above), a change in Benefit Payable amount because of a change in your Weekly Earnings will normally be effective on the date of change. However, if you are not Actively at Work on the date a Benefit Payable change would otherwise be effective, the Benefit Payable change will not be in force until the date you return to Active Work.

Effective Date for Benefit Changes Due to a Change in Insurance Class

Termination, Continuation, and Reinstatement

Termination of Insurance

Your insurance will terminate on the earliest of:

- a. the date the Group Policy is terminated; or
- b. the date the last premium is paid for your insurance; or
- c. for contributory insurance, any date if requested by you before that date; or
- d. the date you cease to be a Member as defined; or
- e. the date you cease to be in a class for which Member Insurance is provided; or
- f. the date you cease Active Work except as provided below.

Termination of insurance for any reason described above will not affect your rights to benefits, if any, for a Disability that begins while your insurance is in force under the Group Policy. You are considered to be continuously Disabled if you are Disabled from one condition and, while still Disabled from that condition, incur another condition that causes Disability.

Continuation

You may qualify to have your insurance continued under one or more of the continuation provisions below. If you qualify for continuation under more than one provision, the longest period of continuation will be applied, and all periods of continuation will run concurrently.

Continuation and Reinstatement - Sickness, Injury, or Pregnancy

If you cease Active Work due to sickness, injury, or pregnancy, your insurance can be continued subject to payment of premium, until the earliest of:

- a. the date insurance would otherwise terminate as provided in items a. through e. above; or
- b. the end of the Insurance Month in which you recover; or
- c. the date 190 days after Active Work ends.

If a Benefit Payment Period is established, your insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date the Benefit Payment Period ends. Your reinstated insurance will be in force on the date of return to Active Work.

If you do not qualify to have a Benefit Payment Period begin, insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

Proof of Good Health will be required to place in force any Benefit Payable that would have been subject to Proof of Good Health had you remained continuously insured.

Continuation and Reinstatement - Layoff or Leave of Absence

If you cease Active Work due to layoff or leave of absence, your insurance can be continued, subject to premium payment, until the earlier of:

- a. the date insurance would otherwise terminate as provided in items a. through e. above; or
- b. the end of the Insurance Month in which Active Work ends.

Your insurance will be reinstated if you return to Active Work for the Policyholder within six months of the date insurance ceased. Your reinstated insurance will be in force on the date of return to Active Work.

A longer reinstatement period may be allowed for an approved leave of absence taken in accordance with the provisions of the federal law regarding Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA).

Proof of Good Health will be required to place in force any Benefit Payable that would have been subject to Proof of Good Health had you remained continuously insured.

Continuation and Reinstatement - Family and Medical Leave Act (FMLA)

If you cease Active Work due to an approved leave of absence under FMLA, the Policyholder may choose to continue your insurance, subject to premium payment, until the date either 12 weeks or 26 weeks, as determined by law, after Active Work ends.

Your terminated insurance may be reinstated in accordance with the provisions of FMLA.

Rehabilitation Services and Benefits

While you are Disabled and covered under the Group Policy, you may qualify to participate in a rehabilitation plan and receive Rehabilitation Services and Benefits. We will work with you and others as appropriate, to develop an individualized rehabilitation plan intended to assist you in returning to work.

Rehabilitation Services

While you are Disabled under the terms of the Group Policy, you may qualify for Rehabilitation Services. If you, the Policyholder and We agree in Writing on a rehabilitation plan in advance, We may pay a portion of reasonable expenses. The goal of the plan will be to return you to work.

Any rehabilitation assistance must be approved in advance by Us and outlined in a rehabilitation plan. The Benefit Payable as described in the booklet-certificate (subject to the terms and conditions of the Group Policy) will continue, unless modified by the rehabilitation plan. Rehabilitation assistance may include, but is not limited to:

- a. coordination of medical services;
- b. vocational and employment assessment;
- c. purchasing adaptive equipment;
- d. business/financial planning;
- e. retraining for a new occupation;
- f. education expenses.

We will periodically review the rehabilitation plan and your progress and We will continue to pay for the agreed upon expenses as long as We determine that the rehabilitation plan is providing the necessary action to return you to work.

Predisability Intervention Services

Rehabilitation Services may be offered if you have not yet become Disabled under the terms of the Group Policy, provided you have a condition which has the potential of resulting in the inability to perform the Substantial and Material Duties of your Own Job.

Rehabilitation Incentive Benefit

During a Benefit Payment Period, if you are participating in and fulfilling the requirements of the rehabilitation plan, but are not yet working, you will be eligible for a 5% increase in the Primary Benefit percentage as a Rehabilitation Incentive Benefit. Payment of the Rehabilitation Incentive Benefit will begin with the Benefit Payable amount that next follows implementation of the rehabilitation plan. The Rehabilitation Incentive Benefit is not subject to the Maximum Weekly Benefit.

The Rehabilitation Incentive Benefit will terminate on the earliest of:

CLAIM PROCEDURES

Notice of Claim

Written notice of claim must be given to Us within 20 days after the date of loss for which claim is being made. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Claim Forms

Claim forms and other information needed to provide proof of Disability must be filed with Us in order to obtain payment of benefits. The Policyholder will provide appropriate claim forms to assist you in filing claims. If the forms are not provided within 15 days after We receive notice of claim, you will be considered to have complied with the requirements of the Group Policy regarding proof of Disability upon submitting, within the time specified below for filing proof of Disability, Written proof covering the occurrence, character and extent of the loss.

Proof of Disability

Claim forms and other information needed to prove Disability should be filed promptly. Written proof that Disability exists and has been continuous must be sent to Us within 90 days after the date you complete an Elimination Period. Proof required includes the date, nature, and extent of the loss. Further proof that Disability has not ended must be sent when requested by Us. We may request additional information to substantiate your loss or require a Signed unaltered authorization to obtain that information from the provider. We reserve the right to determine when these conditions are met. Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the Elimination Period has been completed and the appropriate claim form is received by Us.

Documentation of Loss

We must receive satisfactory Written proof of loss. Until We receive the proof of loss requested, benefits will not be paid. Proof of loss may include:

- a. Any requested claim form including claim forms from you or your Physician.
- b. Documentation that you are under Regular and Appropriate Care by a Physician.
- c. Copies of medical records, test results and/or Physician's progress notes.
- d. Occupation information, such as documentation of work duties and activities. This may include your job description or appointment calendar.
- e. Independent medical examination(s) (see Examinations and Evaluations in this section).
- f. A Written authorization, signed by you, on a form supplied by Us, to obtain records and information needed to determine your eligibility for benefits.
- g. Other proof of loss as required by Us.

Earnings Documentation

We may require proof to determine your Predisability Earnings and Current Earnings. A company representative has the right to examine your financial and business records, including your Federal income tax returns and supporting documentation, as often as We may require.

Investigation of Your Claim

We may conduct an investigation of your claim at any time, which may include a personal interview with a company representative. Benefits may not be payable until We have had a reasonable time to conduct an investigation of your claim and determine that benefits are payable.

Once your claim is approved, no benefits will be continued beyond the end of the period for which you have provided Us with satisfactory proof of loss. We will require you to provide additional documentation of your claim, at reasonable intervals while you are claiming Disability.

Proof of Disability while outside the United States

If during a period of Disability, you are residing or staying outside the United States, the following will apply:

- a. Any evidence you submit for your claim will be required to be translated by the U.S. Embassy and contain the U.S. Embassy seal.
- b. You must notify Us in advance of any return to the United States and your change of address.

Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the Elimination Period has been completed and the appropriate claim form is received by Us.

Payment, Denial, and Review

ERISA permits up to 45 days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete information, We will send a Written explanation prior to the expiration of the 45 days. A claimant is then allowed 45 days to provide all additional information requested. We are permitted two 30-day extensions for processing an incomplete claim if We determine that the extensions are necessary due to matters beyond Our control. Written notification, including a description of the circumstances requiring an extension and the date the claimant can expect a decision, will be sent to the claimant regarding the extension. If a second extension is necessary, Written notification of the extension will be provided prior to the expiration of the first extension.

In actual practice, benefits under the Group Policy will be payable sooner, provided We receive complete and proper proof of Disability. Further, if a claim is not payable or cannot be processed, We will provide a detailed Written decision, explaining the basis for its denial. The Written decision will include:

- The specific reason(s) for the adverse determination;
- Reference to the specific plan provision(s) on which the determination is based;
- A description of any additional material or information necessary for the claimant to perfect the claim and an explanation of why such material or information is necessary;
- A description of Our review procedures including time limits applicable to such procedures and the claimants' right to civil action;
- If an internal rule, guideline, protocol, other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such a rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and

that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the claimant upon request;

- If the adverse benefit determination is based on a medical necessity or experimental treatment of similar exclusion, and explanation of the scientific or clinical judgment for the determination;
- ERISA provides that the claimant has the right to bring civil action after receipt of an appeal decision. However, an additional level of voluntary appeal is allowed under the Group Policy upon request.

A claimant may file an appeal with Us if he or she disagrees with any adverse claim decision within 180 days of receipt of the notice of denial. The request for the review must include reasons why the claim decision should be changed and should include any comments, documents, records, and any other information to substantiate the claimant's claim. We will make a full and fair review of the claim. We may require additional information to make the review.

We will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because We did not receive the requested additional information, We are permitted a 45-day extension for the review. Written notification, including an explanation of the information We requested and the date the claimant can expect a decision, will be sent to the claimant regarding the extension.

We will provide a detailed Written decision, explaining the basis for its decision. The Written decision will include:

- The specific reason(s) for the adverse determination;
- Reference to the specific plan provision(s) on which the determination is based;
- If an internal rule, guideline, protocol, other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such a rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the claimant upon request;
- If the adverse benefit determination is based on a medical necessity or experimental treatment of similar exclusion, and explanation of the scientific or clinical judgment for the determination;
- ERISA provides that the claimant has the right to bring civil action after receipt of an appeal decision. However, an additional level of voluntary appeal is allowed under this Group Policy upon request;
- The Claimant and the plan may have other voluntary alternative dispute resolutions options, such as mediation. The Claimant or the plan can determine what resolutions may be available by contacting the local U.S. Department of Labor Office or the Vermont Healthcare Administrative office at 1-800-631-7788.

After exhaustion of the formal appeal process, the claimant may request an additional appeal. However, this appeal is voluntary and does not need to be filed before asserting rights to legal action.

For purposes of this section, "claimant" means Member.

Report of Payments from Other Income Sources

When asked, you must give Us:

- a. a report of all payments from Other Income Sources; and
- b. proof of application for all such income for which you and your Dependents are eligible; and
- c. proof that any application for such income has been rejected.

Lump Sum Payments from Other Income Sources

If any income from Other Income Sources are payable in a lump sum (except as described below), the lump sum will be deemed to be paid in weekly amounts prorated over the time stated. If no such time is stated, the lump sum will be prorated weekly over your expected life span. We will determine the expected life span.

Lump Sum Payments under:

- a. a retirement plan will be deemed to be paid in the weekly amount which:
 - (1) is provided by the standard annuity option under the plan as identified by the Policyholder; or
 - (2) is prorated under a standard annuity table over your expected life span (if the plan does not have a standard annuity option);
- b. a Workers' Compensation Act or other similar law (which includes benefits paid under an award or settlement) will be deemed to be paid weekly:
 - (1) at the rate stated in the award or settlement; or
 - (2) at the rate paid to the lump sum (if no rate is stated in the award or settlement); or
 - (3) at the maximum rate set by the law (if no rate is stated and you did not receive a periodic award).

Social Security Estimates

Until exact amounts are known, We may estimate the Social Security benefits for which you and your Dependents are eligible and may include those estimates in your Other Income Sources.

If it is reasonable that you would be entitled to disability benefits under the Federal Social Security Act, We will require that you:

- a. apply for disability benefits within ten days after receipt of Written notice from Us requesting you to apply for such benefits; and
- b. give satisfactory proof within 30 days after receipt of Written notice from Us that you have applied for these benefits within the ten-day period; and
- c. request reconsideration of the application for Social Security benefits if the original application is denied, and appeal any denial or reconsideration if an appeal appears reasonable.

Workers' Compensation and Other Disability Coverage Estimates

Until exact amounts are known, We may estimate the Workers' Compensation benefits and other disability coverage that provides benefits for loss of time from work that are attributable to employer contributions in whole or in part or makes payroll deductions for which you are eligible and may include those estimates in your Other Income Sources.

If it is reasonable that you would be entitled to benefits under a Workers' Compensation Act or a similar law and other disability coverage, We will require that you:

- a. apply for benefits within ten days after receipt of Written notice from Us requesting you to apply for such benefits; and
- b. give satisfactory proof within 30 days after receipt of Written notice from Us that you have applied for these benefits within the ten-day period.

Payments for Less Than a Full Week

The Benefit Payable for each day of any part of a Benefit Payment Period that is less than a full week will be the weekly benefit divided by seven.

Right to Recover Overpayments

If an overpayment of benefits occurs under the Group Policy, We will have the option to:

- a. reduce or withhold any future benefits We determine to be due, including the Minimum Weekly Benefit; or
- b. recover the overpayment directly from you; or
- c. take any other legal action.

Facility of Payment

Benefits under the Group Policy will be payable at the end of each week of a Benefit Payment Period, provided complete and proper proof of Disability has been received by Us. We will have the option to issue Benefits Payable in a lump sum amount.

Any unpaid balance that remains after a Benefit Payment Period ceases will be immediately payable.

We will normally pay benefits directly to you. However, in the special instances listed below, payment will be as indicated. All payments so made will discharge Us to the full extent of those payments.

- a. If payment amounts remain due upon your death, those amounts may, at Our option, be paid to your spouse, child, parent or estate.
- b. If We believe a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, We may pay whoever has assumed the care and support of the person.

Examinations and Evaluations

The examinations or evaluations will be performed by a Physician or evaluator We choose as appropriate for the condition and will be conducted at the time, place and frequency We reasonably require. We will pay for those examinations and evaluations and will choose the Physician or evaluator to perform them. All time limits listed in this section will be adjusted as required by law.

STATEMENT OF RIGHTS

Federal law requires that this section be included in your booklet:

As a participant in this plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
